"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."

## DROWNED IN THE CREEK.

A Young Man's Sad Fate at Elm Grove Yesterday.

## WASHING SHEEP IN DEEP WATER

He Steps off a Ledge of Rocks and Stakes to Rise no More—His Brother Narrowly Escapes While Trying to Rescue Him—The Body Recovered Shortly After the Sad Accident.

A distressing accident occurred at Elm Grove yesterday afternoon about 1 o'clock by which Jacob White, aged eighteen, came to his death.

Young White lived with his father on E. M. Atkinson's farm, which Mr. White works. Yesterday John and Jacob White were washing sheep for Mr. Atkinson, in the deep hole in the creek just below the Baltimore & Ohio railroad bridge. Jacob was in the water, and the sheep were sent down a narrow way railed off, to the edge of the bank, where he took hold of them.

About 1 o'clock one of the sheep became a little troublesome, and in trying to hold it White stepped backward off a ledge of rocks, sinking into water twenty feet deep. He did not rise after he first disappeared.

His brother, John, seeing the accident, leaped into the water to save the young man, knowing he could not swim. He thought he had the body, but on rising found he had the sheep. He again made an effort, but at last had to give up on exhaustion.

Henry White, the boy's father, was soon on the scene, and he was nearly crazed with grief. The body was recovered not long after the drowning, being caught on a fish hook.

The coroner was summoned and went out and made an examination, giving a certificate of death in accordance with the facts as above narrated.

## LOCAL BREVITIES.

Matters of Minor Moment in and About the City.

OPERA HOUSE this evening—A. O. U. W. Union Entertainment.

THERE was another whitewash in the police court yesterday, three in succession.

MRS. E. P. VENNAMAN received \$1,000 from Zane lodge No. 1, Shield of Honor, for the death of her husband.

THE Benwood skelp mill resumed work yesterday after two days' idleness owing to a breakage of the rolls. New rolls were substituted.

WHEELING Council No. 1, Jr. O. U. A. M., gave an enjoyable entertainment and hop in Odd Fellows' hall last night. Freese's orchestra played.

ST. ANDREW'S mission, in the Eighth ward, has been handsomely renovated and repainted. A huge sign now extends from one side of the front to the other.

COMPLAINTS about the neglect of his duties under the ordinance by the city garbage collector are about as numerous as ever. There are places he has not visited once a week.

MANAGER FREELAND, of the Genoa base ball club, denies that his club was defeated at Bridgeport the other day. The Genons did not play there. It was a picked nine, and the Genons' first baseman pitched for it, and was the only Genon member in the team.

On and after Monday next for about one week the electric cars from Tenth street to North Wheeling will be discontinued, so that the laying of the new track can be completed. Passengers will only be carried as far as Tenth street while this work is being done.

H. AITZ, of Wheeling, was in Martin's Ferry yesterday looking for his fourteen-year-old daughter, Anna, who left home with a married woman several days ago and went to Martin's Ferry. The police searched the town and learned that she had returned to Wheeling. No trace of her was found here, however.

TWO parties to the Rowan-Burge pugilistic encounter will leave the wharf on a steamboat about 1 a. m. Sunday, and go up to Martin's Ferry. The people who want to go from these towns, Benwood and Ballinro will have an opportunity to take the boat. Burge arrived in the city yesterday. He looks as if he could put up a pretty stiff fight with a bigger man than Rowan.

## THE ARREST DENOUNCED

In Emphatic Words By Citizens of Elm Grove Last Night.

The notice in the papers yesterday morning that a meeting would be held in the town hall at Elm Grove in the evening to take action in view of the alleged arbitrary and unjust arrest of Leonard Zogg, had the effect of drawing together considerably over one hundred citizens of the town. There was considerable warm discussion, and the meeting finally adopted very emphatic resolutions, condemning the arrest by Constable John Anderson and the fine by Squire George Arkho of an old and respected citizen as unjust and brutal. The vote to adopt the resolutions was unanimous, and over one hundred citizens signed their names to them. The committee which drew up the resolutions was composed of John R. Handlan, W. T. Chambers and J. E. Reall.

## William Wylie Dead.

The funeral of William Wylie, a prominent resident of Edgington lane, will take place this afternoon at 2 o'clock, the interment being at the Stone church cemetery. Zane lodge, Sheldahl of Honor, will attend in a body, going out on the 2 o'clock motor. Mr. Wylie was a highly respected man, a staunch Republican and a good citizen, and his death caused general regret among all who knew him.

## It May Do Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so-called kidney cures but without any good result. About a year ago he began the use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c for large bottle. At Logan Drug Co.'s Drug Store.

## A Popular Remedy.

The promptness and certainty of its cure have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping cough, and is the most effective remedy known for these diseases. Mr. C. B. Mann, of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction."

## A SLICK STRANGER

Obtains a Horse from a Livery Stable and Forgets to Return With It.

A slick stranger giving the name of Hart and claiming to be from St. Clairsville, stopped at the Biery house, Market square, last Saturday, having with him a lame horse. He asked the proprietor to get him a livery horse so that he could go after two other horses that he owned. A fine animal was obtained from John Dumas' stables, but the days went by and Hart failed to return. Accompanied by Special Officer Dunlap Mr. Dumas went on the hunt of Hart. They traced him to Washington, Pa., where he robbed a guest at a hotel of \$25, and from there to Monongahela City, where all further trace of him was lost. The horse Hart left with Mr. Biery is supposed to have been obtained from some livery stable in Ohio in the same manner he obtained the one from Dumas.

## The Elks' Big Time.

Wheeling Lodge No. 28, B. P. O. E., initiated several candidates at the regular meeting last evening. A feature of the meeting was the presence of a number of Mountsville Elks. They came up on the B. & O. train, and were met at the station by a committee of the Wheeling lodge. After the meeting the visitors were entertained in true Elks' fashion at M. Hearne's, and then all adjourned to the Musee bowling alleys to bowl.
